## About the Portal

This portal is designed for **PROPERTY MANAGERS** seeking rental assistance on behalf of their tenants. The Assisted Housing Relief Program (AHRP) is limited to multifamily rental communities that have received state funds or federal resources from the Maryland Department of Housing and Community Development. Properties can confirm eligibility using the [Assisted Housing Relief Program Eligible Properties Search](#).

**RESIDENTS** of eligible properties should speak with their property managers to apply on their behalf. Funding for this assistance is available through the federal Emergency Rental Assistance program.

This program is administered by Maryland Department of Housing and Community Development. Payments will be made directly to the properties.

For assistance with your request, or if you have any questions, email [dhcd.rentrelief@maryland.gov](mailto:dhcd.rentrelief@maryland.gov).

**RESIDENTS** or **LANDLORDS** of non-eligible properties seeking rental assistance for themselves or their tenants should visit <https://dhcd.maryland.gov/Pages/EvictionPrevention/default.aspx> for more information on how to apply through the county in which their property is located.

If you have questions or need assistance with your application, email [dhcd.rentrelief@maryland.gov](mailto:dhcd.rentrelief@maryland.gov)

## Eligibility and the Application Process

### Eligibility

To be eligible for the Assisted Housing Relief Program, tenants must meet four criteria:

1. The Tenant was identified as a leaseholder or lessee in the written Lease for a Unit at an eligible property;
2. The Tenant, or someone within their household, has experienced a COVID-19 Related Financial Hardship. Financial hardships include qualifying for unemployment, a reduction in household income, or incurring significant costs;
3. The Tenant, or someone within their household, can demonstrate a risk of experiencing homelessness or housing instability; and
4. The Tenant's household has a total household income at or below the following incomes based on family size. Household size used to determine income must match the number of household members of the lease:

Statewide Income Limits								
Household Size	1 Person	2 People	3 People	4 People	5 People	6 People	7 People	8+ People
<b>80% of AMI</b>	\$55,950	\$63,900	\$71,900	\$79,900	\$86,300	\$92,700	\$99,100	\$105,450

COVID-19 related financial hardships could include job loss, reduced hours, the need to stay at home with children because of school or daycare closure, or other reasons.

### Application Process

Prior to submitting an application, collect all the necessary information from tenants utilizing the [Tenant Worksheet](#). Each household must also complete a [Tenant Certification](#).

After you submit your request, DHCD staff will review your application. They will work with you to collect any additional information or documentation needed.

Once your request has been approved, a rental assistance agreement between DHCD and the property owner will be issued. After the agreement is fully executed, payment will be issued directly to the property. Payments will be processed weekly.

If you have questions or need assistance with your application, email [dhcd.rentrelief@maryland.gov](mailto:dhcd.rentrelief@maryland.gov)

- If the household is unable to provide any documentation to verify their annual income, a self-attestation will be accepted. Attempts to collect income verification must be documented before submitting self-attestations.
- Click "Submit" when complete.
